(Adopted January 23, 2007)

## Rule I.—GENERAL PROVISIONS.

- (A) *Applicability of the Rules of the U.S. House of Representatives.*—The Rules of the U.S. House of Representatives (the “House”) are the rules of the Committee on Homeland Security (the “Committee”) and its subcommittees insofar as applicable.
- (B) *Applicability to Subcommittees.*—Except where the terms “Full Committee” and “subcommittee” are specifically mentioned, the following rules shall apply to the Committee's subcommittees and their respective Chairmen and Ranking Minority Members to the same extent as they apply to the Full Committee and its Chairman and Ranking Minority Member.
- (C) *Appointments by the Chairman.*—The Chairman shall designate a Member of the Majority party to serve as Vice Chairman of the Full Committee. The Vice Chairman of the Full Committee shall preside at any meeting or hearing of the Full Committee during the temporary absence of the Chairman. In the absence of both the Chairman and Vice Chairman, the Chairman's designee shall preside.
- (D) *Recommendation of Conferees.*—Whenever the Speaker of the House is to appoint a conference committee on a matter within the jurisdiction of the Full Committee, the Chairman shall recommend to the Speaker of the House conferees from the Full Committee. In making recommendations of Minority Members as conferees, the Chairman shall do so with the concurrence of the Ranking Minority Member of the Committee.
- (E) *Motions To Disagree.*—The Chairman is directed to offer a motion under clause 1 of Rule XXII of the Rules of the House whenever the Chairman considers it appropriate.
- (F) *Committee Website.*—The Chairman shall maintain an official Committee web site for the purposes of furthering the Committee's legislative and oversight responsibilities, including communicating information about the Committee's activities to Committee Members, other Members and the public at large. The Ranking Minority Member may maintain a similar website for the same purposes.

## Rule II.— TIME OF MEETINGS.

- (A) *Regular Meeting Date.*—The regular meeting date and time for the transaction of business of the Full Committee shall be on the first Wednesday that the House is in Session each month, unless otherwise directed by the Chairman.
- (B) *Additional Meetings.*—At the discretion of the Chairman, additional meetings of the Committee may be scheduled for the consideration of any bill or other matters pending before the Committee or to conduct other Committee business. The Committee shall meet for such purposes pursuant to the call of the Chairman.
- (C) *Consideration.*—Except in the case of a special meeting held under clause 2(c)(2) of House Rule XI, the determination of the business to be considered at each meeting of the Committee shall be made by the Chairman.

## RULE III.—NOTICE AND PUBLICATION.

### (A) Notice.—

- (1) *Hearings.*—The date, time, place and subject matter of any hearing of the Committee shall, except as provided in the Committee rules, be announced by notice at least one week in advance of the commencement of such hearing. The names of all witnesses scheduled to appear at such hearing shall be provided to Members no later than 48 hours prior to the commencement of such hearing. These notice requirements may be waived by the Chairman with the concurrence of the Ranking Minority Member.
- (2) *Meetings.*—The date, time, place and subject matter of any meeting, other than a hearing or a regularly scheduled meeting, shall be announced at least 36 hours in advance of a meeting to take place on a day the House is in session, and 72 hours in advance of a meeting to take place on a day the House is not in session, except in the case of a special meeting called under clause 2(c)(2) of House Rule XI. These notice requirements may be waived by the Chairman with the concurrence of the Ranking Minority Member.
  - (a) Copies of any measure to be considered for approval by the Committee at any meeting, including any mark, print or amendment in the nature of a substitute shall be provided to the Members at least 24 hours in advance.
  - (b) The requirement in subsection (a) may be waived or abridged by the Chairman, with advance notice to the Ranking Minority Member.
- (3) *Publication.*—The meeting or hearing announcement shall be promptly published in the Daily Digest portion of the Congressional Record. To the greatest extent practicable, meeting announcements shall be entered into the Committee scheduling service of the House Information Resources.

## Rule IV.— OPEN MEETINGS AND HEARINGS; BROADCASTING.

- (A) *Open Meetings.*— All meetings and hearings of the Committee shall be open to the public including to radio, television and still photography coverage, except as provided by Rule XI of the Rules of the House or when the Committee, in open session and with a Majority present, determines by recorded vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, compromise sensitive law enforcement information, tend to defame, degrade or incriminate a witness, or violate any law or rule of the House of Representatives.
- (B) *Broadcasting.*—Whenever any hearing or meeting conducted by the Committee is open to the public, the Committee shall permit that hearing or meeting to be covered by television broadcast, internet broadcast, print media, and still photography, or by any of such methods of coverage, in accordance with the provisions of clause 4 of Rule XI of the Rules of

the House. Operation and use of any Committee operated broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of Rule XI and all other applicable rules of the Committee and the House. Priority shall be given by the Committee to members of the Press Galleries.

- (C) *Transcripts*.—A transcript shall be made of the testimony of each witness appearing before the Committee during a Committee hearing. All transcripts of meetings or hearings that are open to the public shall be made available.

#### **Rule V.—PROCEDURES FOR MEETINGS AND HEARINGS.**

- (A) *Opening Statements*.—At any meeting of the Committee, the Chairman and Ranking Minority Member shall be entitled to present oral opening statements of five minutes each. Other Members may submit written opening statements for the record. The Chairman presiding over the meeting may permit additional opening statements by other Members of the Full Committee or of that subcommittee, with the concurrence of the Ranking Minority Member.
- (B) *The Five-Minute Rule*.—The time any one Member may address the Committee on any bill, motion, or other matter under consideration by the Committee shall not exceed five minutes, and then only when the Member has been recognized by the Chairman, except that this time limit may be extended when permitted by unanimous consent.
- (C) *Postponement of Vote*.—The Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed vote at any time, provided that all reasonable steps have been taken to notify Members of the resumption of such proceedings. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.
- (D) *Contempt Procedures*.—No recommendation that a person be cited for contempt of Congress shall be forwarded to the House unless and until the Full Committee has, upon notice to all its Members, met and considered the alleged contempt. The person to be cited for contempt shall be afforded, upon notice of at least 72 hours, an opportunity to state why he or she should not be held in contempt prior to a vote of the Full Committee, with a quorum being present, on the question whether to forward such recommendation to the House. Such statement shall be, in the discretion of the Chairman, either in writing or in person before the Full Committee.

#### **Rule VI.—WITNESSES.**

##### **(A) Questioning of Witnesses.**—

- (1) Questioning of witnesses by Members will be conducted under the five-minute rule unless the Committee adopts a motion permitted by House Rule XI (2)(j)(2).
- (2) In questioning witnesses under the 5-minute rule, the Chairman and the Ranking Minority Member shall first be recognized. In a subcommittee meeting or hearing, the Chairman and Ranking Minority Member of the Full Committee are then recognized. All other Members that arrive before

the commencement of the meeting or hearing will be recognized in the order of seniority on the Committee, alternating between Majority and Minority Members. Committee Members arriving after the commencement of the hearing shall be recognized in order of appearance, alternating between Majority and Minority Members, after all Members present at the beginning of the hearing have been recognized. Each Member shall be recognized at least once before any Member is given a second opportunity to question a witness.

- (D) *Statements by Witnesses*.—
- (1) Consistent with the notice given, witnesses shall submit a prepared or written statement for the record of the proceedings (including, where practicable, an electronic copy) with the Clerk of the Committee no less than 48 hours in advance of the witness's appearance before the Committee. Unless the 48 hour requirement is waived or otherwise modified by the Chairman after consultation with the Ranking Minority Member, the failure to comply with this requirement may result in the exclusion of the written testimony from the hearing record and/or the barring of an oral presentation of the testimony.
- (2) To the greatest extent practicable, the written testimony of each witness appearing in a non-governmental capacity shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years by the witness or by an entity represented by the witness to the extent that such information is relevant to the subject matter of, and the witness' representational capacity at, the hearing.

#### **Rule VII.—QUORUM.**

- (A) *Quorum Requirements*.—Two Members shall constitute a quorum for purposes of taking testimony and receiving evidence. One-third of the Members of the Committee shall constitute a quorum for conducting business, except for
- (1) reporting a measure or recommendation;

- (3) authorizing the issuance of subpoenas; and
- (4) any other action for which an actual majority quorum is required by any rule of the House of Representatives or by law. Notices for the taking of depositions shall specify the date, time and place of examination. Depositions shall be taken under oath administered by a Member or a person otherwise authorized by law to administer oaths. Prior consultation with the Ranking Minority Member of the Full Committee shall include written notice three business days before any deposition is scheduled to provide an opportunity for Minority staff to be present during the questioning.

#### **RULE XIII.—MEMBER AND STAFF TRAVEL**

- (A) *Approval of Travel.*—Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, travel to be reimbursed from funds set aside for the Committee for any Member or any Committee staff shall be paid only upon the prior authorization of the Chairman. - (2) *Proposed Travel by Minority Party Members and Staff.*—In the case of proposed travel by Minority party Members or Committee staff, the Ranking Minority Member shall provide to the Chairman a written representation setting forth the information specified in items (a), (b), (c), and (d) of subparagraph (1) and his or her determination that such travel complies with the other requirements of subparagraph (1).
- (B) *Foreign Travel.*—All Committee Member and staff requests for Committee-funded foreign travel must be submitted to the Chairman, through the Chief Financial Officer of the Committee, not less than seven business days prior to the start of the travel. Within 60 days of the conclusion of any such foreign travel authorized under this rule, there shall be submitted to the Chairman a written report summarizing the information gained as a result of the travel in question, or other Committee objectives served by such travel.

Such documents and other materials shall be returned to the Executive branch

agency from which they were obtained at the earliest practicable time.

- (C) *Access by Committee Staff.*—Access to classified information supplied to the Committee shall be limited to Committee staff members with appropriate security clearance and a need-to-know, as determined by the Chairman and Ranking Minority Member and under their direction of the Majority and Minority Staff Directors.
- (D) *Maintaining Confidentiality.*—No Member of the Committee or Committee staff shall disclose, in whole or in part or by way of summary, to any person who is not a Member of the Committee or an authorized member of Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, any testimony given before the Committee in executive session. Classified information and sensitive but unclassified (SBU) information (including but not limited to documents marked with dissemination restrictions such as Sensitive Security Information (SSI), Law Enforcement Sensitive (LES), For Official Use Only (FOUO), or Critical Infrastructure Information (CII)) shall be handled in accordance with all applicable provisions of law and consistent with the provisions of these rules.
- (E) *Oath.*—Before a Member or Committee staff member may have access to classified information, the following oath (or affirmation) shall be executed:
